Beekman Winthrop Leaves for Ten Days in the Adirondacks—Former Minister from the Netherlands Returns for Summer—Vice Admiral and Baroness Ullrich Conclude Visit.

The French Ambassador and Mme. Jusserand entertained a company at dinner last evening. The guests included the Assistant Secretary of the Navy and Mrs. Beekman Winthrop and a number of the official people still remaining in Washington.

The Assistant Secretary of the Navy and Mrs. Beekman Winthrop, who have leased "Highwood," the country place of Lieut. Gen. and Mrs. Corbin, near Chevy Chase, left at midnight Wednesday for the Adirondacks, where the former will spend ten days hunting and fishing. They will return to Washington at the end of July and remain for some time before taking a real vacation.

The President's yacht, the Sylph, which was ordered some weeks ago to Beverly, Mass., left yesterday for Biddeford, Me., with Prof. and Mrs. Lewis More, of Cincinnati, brother-in-law and sister-in-law of the President, and Master Charles Taft, youngest son of the President, on board. Upon arrival at Biddeford they went immediately to the summer home of Prof. and Mrs. More, the latter a sister of Mrs. Taft, who has been her constant companion and her substitute at dinners, garden parties, and other functions at the White House since early in May, when Mrs. Taft's health first broke down. The Mores will remain for the rest of the summer in their own cottage, and the Sylph will return at once to Beverly for the further use of the President's family.

Mr. and Mrs. Hoyt Sherman will leave on the 18th for a trip to Seattle, Wash., after which they will make a visit to their son, Roger Sherman, in Portland, and their daughter, Mrs. N. J. Gray, in Oakland, Cal. This will be at Salt Lake City in September.

Don Rodrigo de Azpiz, son of the late Ambassador to this country from Mexico, sailed from Vera Cruz last week for St. Nazaire, France, to become chancellor of the Mexican consulate there. He was expected to be in Mexico later than he was, owing to the marriage of his youngest sister, Belem, to Mr. Philip Frederick Horton, in the City of Mexico on July 6. Mr. Azpiz was attached to the embassy in this city during his father's regime as Ambassador to this country, and is well known in Washington social circles.

Jonkheer E. de Marées van Swinderen, former Minister from the Netherlands to this country, has arrived in the United States, and has joined Mme. van Swinderen at the summer cottage of her parents, Mr. and Mrs. C. C. Glover, at York Harbor, Me. She and their young daughter Elizabeth have been with her parents for more than a month, first making a visit in Washington at the suburban home of the Glovers, above Georgetown. Mr. Van Swinderen will remain in this country until the early autumn.

Vice Admiral Baron Sotokichi Uru, of Japan, and Baroness Uru, who have been in this country since May, sailed yesterday on the Mauretania for Europe, en route to their home in Japan. Baroness Uru, as well as the vice admiral, was the object of much attention from old schoolmates in this country. She was a cadet at Wellesley College and their courtship was done almost entirely in this country, in New Haven and Nantucket.

The Vice President is taking advantage of the temporary lull in the tariff affairs in the Senate, and has gone with Mrs. Sherman to Manchester, Vt. They are enjoying the auto trips round about Manchester, and the tennis tournament at the Ekwanok Country Club of Manchester, which opens to-day.

Sir Robert and Lady Hadfield, brother-in-law and sister of Attorney General Wickham, who have been in this country since before the inauguration, sailed yesterday for their home, on the Mauretania, after a period of gaiety in Washington, New York, and several American resorts.

She will go to Canada for the month of August. Commander and Mrs. White have removed from 1718 Q street to 1714 Q street.

Mrs. Benjamin F. Pilson and her youngest daughters have gone to Portsmouth, N. H., where they will spend some time at the Hotel Wentworth, where they spent the summer during the Peace Conference. There Miss Zelma Pilson, who will be a debutante of next season, wore for herself an extremely beautiful gown, with a picture hat and a white-trimmed prayer book. Instead of a shower bouquet, the maid of honor wore white batiste, with a sash of pink satin and a black hat with white plumes. Immediately after the ceremony the bride and bridegroom left for a wedding trip to Boston, New York, and Atlantic City. The bride wore a traveling gown of linen, handsomely braided, with tan hat and dark blue plumes.

Miss Katherine C. Schlacht, daughter of Mr. and Mrs. Joseph Schlacht, was married yesterday morning to Mr. William S. Proby, in Holy Trinity Church, Georgetown, at 8 o'clock, by Rev. Thomas S. Harlin. Only a small company of relatives were present. The bride was attended by her sister, Miss Anna B. Schlacht, and the bridegroom's brother, Mr. Leo Proby, acted as best man. The bride wore a tailor-made gown of white crepe, with a picture hat and a white-trimmed prayer book. The ceremony was performed at 7:30 o'clock Monday evening in Holy Trinity Catholic Church, Georgetown, by the rector, Rev. Thomas S. Harlin. In the presence of a small party of relatives and close friends, the bride's only attendant was Miss Ruth Case, and the best man was Mr. Barry Case. CANNOT PURCHASE PARK SITE.

Commissioners Unable to Grant Petitioner's Request.

The Commissioners have informed Julia L. Langdon Barber, of the Belmont, that they have neither the authority nor the funds to purchase land for park purposes, and can only do so when specially authorized by act of Congress.

This statement resulted from a petition in which the Commissioners were asked to purchase for park purposes the tract of land bounded by Florida avenue, Thirteenth and Fourteenth streets northwest, belonging to the Sherman estate. It was pointed out by the petitioner that the tract contained a large number of trees, great oaks more than a century old, well preserved and flourishing. It was shown that this property is being graded for building sites, and unless purchased by the government the many valuable trees will be felled. The need of this park was shown as the only available parking ground between Thomas Circle and Rock Creek Park.

WILL SUGGEST NEW BUREAU.

Engineer Would Have District Repair the Streets.

Capt. E. H. Markham, Assistant Engineer Commissioner of the District, will suggest to the Board of Commissioners the value of a bureau of the engineering department that will have charge of the repairs of streets, especially the asphalt.

Capt. Markham says that with this bureau in operation the streets would be always under the control of the Commissioners, instead of in the hands of contractors.

Newspaper Men Act on Death of J. H. Aubere.

BODY SENT TO FORMER HOME

Gridiron Club and National Press Club Pass Resolutions Expressing Grief and Esteem—Masonic Lodge of Havana, Ill., Will Have Charge of the Funeral Services.

Funeral services for the late Jewell Howard Aubere, head of the Washington bureau of the St. Louis Globe-Democrat, who died of heart failure on Tuesday afternoon at his home, 1306 Kenyon street northwest, will be held in Havana, Ill., his former home. The funeral arrangements will be in charge of the branch of the Masonic order in that city.

Mr. Aubere was a member of the Gridiron Club, the National Press Club, the King Solomon Lodge, No. 2, F. A. A. M., and the Mithras Lodge of the Scottish Rite.

The Gridiron Club held a special meeting Wednesday noon, at which the following was adopted:

"Jewell H. Aubere, whose death the Gridiron Club mourns, was highly esteemed by his colleagues of the organization and of the profession for the splendid qualities which endeared him to his employers, and won the confidence and respect of public men in an unusual degree.

"He was a man of ability and painstaking industry. He brought to his labor in journalism qualities of mind and heart and such painstaking devotion to duty as to insure lasting credit to himself and honor to the profession. The Gridiron Club extends its sincere sympathy to his widow and family.

It is ordered that this minute be inscribed upon the records of the club.

The board of governors of the National Press Club also adopted resolutions of sorrow.

Floral offerings were sent by the Gridiron Club, the National Press Club, the corps of Washington correspondents, Speaker Cannon, and many other friends and business associates of the deceased. A further tribute of flowers has been tendered by the Gridiron Club to be laid upon the casket upon its arrival in Chicago.

Mr. Aubere was a young man, having been born in 1875, but in spite of his comparative youthfulness, he had already attained a considerable degree of success in his profession. In addition to his position of correspondent for the St. Louis Globe-Democrat, he was a regular contributor to the monthly magazines.

SEEKS PROBATE LETTERS.

Widow of Rev. M. Ross Fishburn Applies to Court.

Mrs. Emma H. Fishburn, widow of Rev. M. Ross Fishburn, former pastor of the Mount Pleasant Congregational Church, who died June 15 last, yesterday applied to the Probate Court for letters of administration of his estate.

Dr. Fishburn owned stock in a building association, which made it necessary to obtain letters, as he left no will at his death. His remaining estate is in life insurance, of which the widow is beneficiary. Mrs. Fishburn also asked the court to appoint her guardian of her two children, Margaret, twelve years old, and Hummel, aged eight years.

LEGATION DENIES REPORTS.

Says Chinese Government Is Not Protecting Leung Lim.

Yesterday the Chinese Legation in Washington officially denied the story that the Chinese government, acting on the report of the Chinese consul in New York, had ordered the arrest of Leung Lim, the alleged murderer of Elsie Sigel.

The Chinese officials also state that the reports that he is being protected by the Chinese secret societies in this country are utterly without foundation. They say that the Chinese Mutual Benefit Association, of San Francisco, the most powerful Chinese secret society in the United States, has passed a resolution offering a reward of \$50 for his apprehension and forbidding its members in any part of the country to aid him in any way.

At the Chinese Legation it is further stated that not only does the Chinese government not wish to shield Lim, but it has ordered its consuls and representatives in all parts of the country to be on the lookout for him and notify the police immediately in case of his discovery.

BOARD ACTS ON COMPLAINTS.

Railway Commission Is Requested to Amend Car Regulations.

A meeting of the District electric railway commission was held yesterday afternoon to take action upon a number of reports and complaints that have been received during the last two weeks. Commissioners West and Smith and Secretary Eddy were present.

A number of letters from the Washington Railway and Electric Company relative to regulations recently passed by the Interstate Commerce Commission were read. It was requested by the railway company that some of these regulations be revoked and others amended. Mr. Eddy was directed to look into the merits of the question.

A complaint was made to the commission concerning the closed cars that were being run on the car lines of the city. The complainant stated that these were exceedingly uncomfortable in warm weather, and requested that the commission take some action, with a view to having the companies run more open cars.

It will be done some time during the coming week.
